

# Parental Permission Letter

---

Dear Parent or Guardian and School Counselor,

Your student is requesting an internship placement and/or has enrolled in the Internship Program at Albuquerque Public Schools. This is a collaborative effort to provide students with real world work experience. This is a great opportunity for students to learn new skills, gain knowledge, and to engage in relevant experiences while exploring their career interests.

Students earn High School credit at their internship experience. A maximum of .5 credits can be earned. Students must provide their own transportation to and from their internship site.

Please feel free to contact me if you should have any questions and/or any concerns.

Sincerely,

*George Kerr*
